

MOO DESIGN

— TESTIMONIAL —

“I had the fortune of working with MoJo on my branding, logo, business cards and website. MoJo took the time to listen and learn about my specific business which translated into a brand and graphic that is incredibly distinct and representative of my firm. Additionally, I appreciated that MoJo gave me an accurate budget and time frame by which we were able to accomplish our goals. I am proud of the work product that we created and will continue to work with MoJo as my business needs evolve.”

- ALICIA ESTERKAMP ALLBIN,
